NOTICE OF RESPONSIBILITY:

Thank you for notifying PG&E of your intent to work in the vicinity of our underground facilities. Information about their location will be provided by surface markings at the proposed work site. In our marking for you we, naturally, will exercise due care to make these markings as complete and accurate as reasonably possible. As you can appreciate, the nature of underground construction and installations prohibit any guarantee as to the absolute accuracy of surface markings. The precise location of underground facilities can only be determined by you through careful probing or hand digging in compliance with Article 6 of Cal/OSHA construction safety orders.
