# Hesperian Boulevard Corridor Improvement Project

## PROJECT OVERVIEW

The Hesperian Boulevard Corridor Improvement Project, located in the heart of the San Lorenzo community, will enhance traffic safety and further establish a livable community with benefits to motorists, pedestrians, bicyclists, and the San Lorenzo commercial corridor. Additionally, this project will beautify and revitalize the Hesperian Corridor into an inviting streetscape between the I-880 overcrossing and A Street.

Schedule subject to change

San Lorenzo Gateway

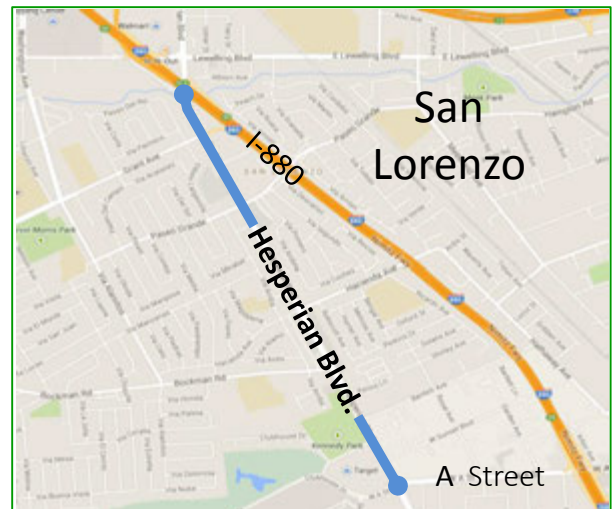

## PROJECT FEATURES

- Wider, decorative sidewalks and pedestrian lighting
- Class II bicycle lanes
- Landscaping and street trees within redesigned areas
